

## **Create a Holy Week Mantle**

Walk through the events of holy week with your family by creating a Holy Week Mantle. Clear off your mantle or find a table/counter in your house that you can dedicate to this activity. Find a time each day to read the suggested scripture for the day. Discuss what the text means to you. Place the suggested item in your display. Pray together to close.

If you can keep your display up through the Easter season (up through Pentecost) do so as a visual image of God's love and forgiveness given through his son, Jesus.
