

# Pay for your **GAS** with Scrip cards!

Looking for a small way to begin supporting Advent's SCRIP fundraiser this month? How about buying cards for where you get gas? Listed below are all the gas stations in our area that have SCRIP cards. Figure out where and how much money you spend on gas in a month, then fill out this form and put your order form and check in the box in the church office by the first Sunday of the month. Simple...and a great way to support Advent and the ministry we do together.
